JUST PUBLISHED

The Moral and Political Philosophy of John Locke

By STERLING POWER LAMPRECHT, Ph.D.

8vo, paper, pp. viii+168. $1.50 net

ARCHIVES OF PHILOSOPHY, NO. 11.

This study makes an important contribution to a much neglected side of Locke's philosophy. No previous study is so wide in its scope or so thorough in its method. It places Locke's empiricism and theory of knowledge in relationship to his other interests, and thus gives to the examination of Locke's philosophy the proper historical perspective. The modern student of moral and political philosophy will find in the work illumination of many current ideas.
